Vendor Parking

- **The IMS lot on the SW corner of Glenwood and Lyndale Ave is where we want ALL vendors and their employees to park.**
- Vendors cannot park under the I-94 bridge at all, even south of Glenwood, we all want to give the customers more parking
- **Your contract states there is a $50 fine for being parked in non-designated areas, payable immediately.**
- Large panel trucks CAN park under the I-94 bridge south of Glenwood as in the past, with permission from FMA staff or Larry Cermak

This parking policy is so <u>you</u> can make more sales!
The easier it is for customers to come and be here, the more they will do so.
