

# WE ARE OPEN FOR VALENTINES DAY

Yes! After a restful break following the end of the Christmas season, there is action again at the farmers market!

Everyone has someone special in their life. Maybe its a spouse or girl/boyfriend. Maybe it's a sibling or your mom. Maybe it's a close friend or a co-worker who's had a rough week. Maybe you're just egotistical and love only yourself? Valentines is your chance to show all the special people in your life a little love (yes, even yourself, ego or no ego).

When you stop into the HEATED warehouse here at the Farmers Market Annex you'll find:

- Dozen, long stem, classic, red Roses with babies breath and greens
- Dozen roses in pink, white, yellow, orange, and lots of other colors
- Tulips, locally greenhouse grown in MN, and in a rainbow of colors

So when can you get all these fantastic flowers? Again, we'll be inside the warehouse in Market Flowers regular location:

- **Thursday, February 13: 11:30am till 5:00pm**
- **Friday, February 14: 9:30am till 5:00pm**

Come on by and get some of the freshest and most affordable Valentine flowers in town before they are gone till April! We'll even let you park in the farmers market lot!

We look forward to seeing you this Valentines Day!

## We Have New Neighbors Unleashed: Hounds and Hops

There's something new at the Farmers Market Annex! Unleashed: Hounds and Hops is NOW OPEN in the warehouse, next door to Market Flowers.

What is Unleashed: Hounds and Hops? This is Minnesota's first combined dog park and tap room. Here, you can enjoy some

great eats and adult beverages, all while letting your pup run free in their off leash dog area. Think of it like a normal off leash dog park, only indoors and with a much better tap list than just maple sap. This is a fantastic concept and you can tell other agree as they have been busier than expected their first two weekends open. We are excited to have them as our new neighbors here at the Annex and look forward to them being a part of your farmers market experience this spring.

But don't wait till April. Come down this winter and check them out; like when you come to buy your Valentines flowers this week (shameless plug, we know). Be sure to visit their website to find out more details about what they offer, all their rules, see their menu and tap list, and get your pup all registered before you let them run free!
