

## Treat Yourself this Mother's Day

Happy Mother's Day to all the moms out there!

This weekend is YOUR big weekend. Why not spend some of it treating yourself to some beautiful weather, some great eats, some live music, and some small business shopping. Bring the family and join us this Mother's Day weekend at the Farmers Market Annex!

The Annex will be open Mother's Day weekend, this Saturday and Sunday, from 7:00am to 1:00pm. In fact, we are open every weekend from now through October 30th; rain, wind, or shine (and we've have way too much of those first two the last couple weeks). But, per the forecast from the FMA Weather Coop, it sounds like great weather both mornings.

When you come to the farmers market this weekend, you'll find a lot FULL of our eclectic mix of vendors; clothing, jewelry, home goods, crafts, soaps, lotions, yard decor, and so much more. All of our concessions vendors will be here as well. Get some brunch, get your usual or try something new to the market this season. You're sure to leave with stomachs and reusable bags full.

Mother's Day is one of the biggest weekends of the whole farmers market season, and after a slow, weather hindered start, we're excited for a jumping market! So throw on your walking shoes and sunglasses and treat yourself to a Mother's Day at the Farmers Market Annex!

## Memorial Day is right around the corner

Once Mother's Day is done, our next big holiday weekend is right around the corner. Memorial Day is the weekend of May 28-29. The Farmers Market Annex will be open normal hours, Saturday and Sunday from 7am-1pm, Memorial Day weekend. We'll be closed Monday, as always. If you're hanging in town doing the staycation thing, there's nothing better than to start your day off at the farmers market.

Local produce will be in, with rhubarb, asparagus, scallions, radishes, lettuce, herbs and more in season. You can also find fresh flowers for taking to the cemetery or taking home to enjoy. Market Flowers will be open and well stocked with red, white and blue flowers.

So get it on your Google calendar and plan a date at the farmers market Memorial Day weekend. Also, feel free to bribe the National Weather Service and see if they can't hook us up with some nice weather that weekend.

## Coming in Season

The Chicken would like to issue a statement:

*"I, the Annex Chicken, had nothing to do with the chicken protests at Target Center during recent Timberwolves playoff games. I feel no need to punish Glen Taylor any more than having to watch the last 20 years of Wolves basketball already has. Thank you!"*
