

MEMORIAL DAY AT THE MARKET

We just finished recovering from a crazy busy Mother's Day weekend (and drying off from last Sunday) and our next big weekend is upon us already. Memorial Day weekend is a top five weekend of the market season, and it sounds like the weather is going to be the same (that's right, top 5. Take that WCCO!)

The farmers market will be alive with family friendly activity all weekend. Miles Warren and his band will be our live music this weekend. Also, we will again have extended hours this weekend! We will be open from 7am - 2pm both Saturday and Sunday! Read though the rest of this newsletter and see everything else that will be going on here at the Farmers Market Annex this Memorial Day weekend.

See you at the market!

The Annex would like to send out a THANK YOU to all our veterans who have served. We especially remember those veterans have passed on, for whom this holiday weekend is truly about.

THANK YOU VETERANS!

What's In Season

The first locally grown vegetables arrived!

- Asparagus
- Herbs
- Leaf Lettuce
- Rhubarb

The majority of our local produce will come into season around the 4th of July. Know our growers are working hard to get you that produce, and apparently save it from May snowstorms (Prince didn't tell us that was a thing).

The Chicken is Still Here!

We are happy to say the chicken is not leaving the farmers market! The Chicken wandered up the road and interviewed for the Wolves head coaching job. He didn't get it cause Glen Taylor felt he wouldn't have the guts to make tough game decisions.

Memorial Day Flowers

Market Flowers will be well stocked with freshly mademixed bouquets

for Memorial Day. Bouquets in red, white and blue, and many other color combinations, will be available both inside the warehouse as well as their outdoor stand by the chicken.
