

ONE LAST WEEKEND

Nor is the farmers market!

- It's going to be lower 50s Saturday and mid 40s Sunday, no rain.
- We WILL have fresh local produce.
- There WILL be pumpkins Saturday.
- There WILL be deals on flowers from Market Flowers.
- Don't forget all the fresh cooked food, pet products, meats, fashionable winter clothes, pastas, cheeses, oils (both cooking and the good smelling kind) and all the other fantastic farmer market finds you expect here at the Farmers Market Annex.

***Come spend a beautiful October morning
with us one last time this season.***

**We will be open
this Saturday
and Sunday
7:00am - 1:00pm**

**Market Flowers
1/2 Off Everything**
All of the fresh flowers and greens at Market Flowers will be 50% off this Saturday and Sunday as they move out the flower inventory to make room for bulk Christmas greens. This includes all MN Grown Dahlias, all Eucalyptus, and all Fall flowers and grasses. Get them before they are gone!

Annex Tree Lot
Christmas is right around the corner, and the Annex has you covered! Visit our newly redesigned Tree Lot website to find all about what goes on Nov. and Dec. here at the Annex (and to call us out on all our newly-launched-website mistakes).

Pumpkins

Brett Ertz and Family will be here once again this Saturday with his trailer full of fresh pumpkins for Halloween. Lots of happy kids went home with a pumpkin to carve last Saturday during our Trick or Treat event. This Saturday is your chance to bring one home too! Come early for his best selection, cause, shocking, people are looking for pumpkins this time of year.

Wagz n' Purz

One of our many dedicated vendors who WILL be here this weekend is Wagz n' Purz with their dog and cat treats and toys. And just in time for Christmas; doggy antlers, so Fido can become your own personal little Rudolph! Stop by and get a pair, and much more for your pup or kitty.

Farmers Market Annex
200 E Lyndale Ave. N - Minneapolis, MN 55405
We are open from April 27 - October 27, 2019
