

# Summer Celebration

Summer is here and that sounds like a good reason to throw a party!

Join us July 27th and 28th for Summer Celebration.

We are taking an already fantastic farmers market and cranking it up to 11. You know how great our market can be any given weekend, but look what all we have in store for you during Summer Celebration!

- Live music from Miles Warren and his band
- Kids activities including face painting, bounce house, Chickn' Wing, balloons, and more!
- A scavenger hunt for farmers market prizes
- BINGO! Played throughout the day for prizes.
- All the great food, produce, vendors and everything else you've come to expect here at the Farmers Market Annex

And there may be some more thinks in the works still. We'll keep you posted on social media if we green light any of them.

We hope you come join us the weekend of the 27-28 (in fact we hope you join us every weekend before and every weekend after too). Help us celebrate the summer harvest, the summer season and see again why we are a next generation farmers market!

Thank you for choosing to be a part of the Farmers Market Annex!

We are open  
Apr 27 - Oct 27, 2019  
Saturdays & Sundays  
7:00am - 1:00pm

When you visit the Annex, please remember:

- No dogs
- No smoking
- Many vendors accept plastic. They all take cash!
- Bring a reusable bag for shopping and to carry home your BINGO prizes

We are a family friendly market and welcome everyone to visit and see what makes us a Next Generation Farmers Market

- The Night of Fire Festival (Mpls fire department frowned upon us trying this)
- Inti Raymi (The sun god? Summer in MN how about the shade god instead?)
- Wianki Festival (Hey! Hey! No! This is family friendly market)
- Obon (Again fire... Darn MplsFD)
- La Tomatina (Have tomatoes  Like throwing things  Like cleaning up )
- Pflasterspektakel (If we can't pronounce it, we ain't being inspired by it)

## Meet Our Vendors

### FAH Tea

Strolling not too far from the chicken you'll find FAH Tea. You may remember them from last year, selling hibiscus tea in bottles and, maybe you tried a sample or three? Well this year they upped their game! This year you can get their tea as a cool, refreshing slushy!

Also in the works for this year: food! They will be serving up Attieka.

This is an African dish made with gluten free couscous, fried fish, fried plantain, steep shrimp and plenty of fresh vegetables from the farmers Market.

Want to take some home still like you did last year? Have no fear! You can still get their bottled tea too. So if you are looking for something new for lunch or a refreshing drink to cool off on a humid summer day, stop by FAH Tea in stall S41.

## Market Flowers This Month

Eucalyptus is by far the most popular wedding green out there. It's all over Pinterest like a creeping charlie is all over your lawn. From drapery bouquets to garlands and more, it's THE green to have in your wedding arrangements.

Market Flowers carries seeded, silver, baby, gunnii, and willow eucalyptus. You can find all these in their coolers, or you can prebook them with at least two weeks notice.

And if you have eucalyptophobia and want to use greens other than eucalyptus, there is no shortage of other greens in those coolers. So be trendy and load up on your wedding greenery today!
